

### RADFORD UNIVERSITY STUDENT COMMENTS

#### CAMPUS CLIMATE SURVEY RESPONSES | FALL 2019

- Engaging, likes to get students involved
- Professor Hull was an amazing professor. He was very organized and always willing to help even with his busy schedule. He was very positive and supportive. I enjoyed this class!
- Great instructor. Always willing to help and gives great advice. Very interactive and makes class be great. He was very good at explaining things and breaking down assignments.
- Great professor, loved having him this semester and hopefully will get to have him in the near future
- He was amazing, by far my favorite professor I've had all semester!
- Very genuine and helpful to students who struggled in the class. Wanted everyone to succeed and provided insightful feedback to those who needed it.

#### UNSOLICITED STUDENT COMMENTS | SPRING 2020

- I wanted to thank you for being such an amazing professor this semester. I truly feel you've taught me many valuable lessons and skills I will go on to use in the professional world. You are highly respected by my fellow classmates and me. Thank you so much for a great semester and for having such a positive impact on my time at Radford.
- I would to thank you for a great semester and all of the sage advice you had to offer before and after the apocalypse (COVID-19).
- Thank you for teaching your class with organization and care for your students.
- Thank you for an awesome semester was a very fun class.
